Subject: OP involvement in OMB Review of FIP for Existing O&G Sources on U&O Reservation (SAN 5872)

OP loaded the package into ROCIS this afternoon; OIRA will likely accept it later today or tomorrow. Please remember that I should be cc'd on all correspondence with OIRA and should be invited to all meetings or teleconferences (you don't need to schedule around my availability, but I do need to know when meetings or conversations take place).

Please let me know when you know that the package has been sent out for interagency review, when comments are due back, and when you actually receive those comments from OIRA.

I provide Laura weekly status updates for all my assigned actions at OMB, so I may contact you periodically to verify whether or not there has been any activity.
